

Daily skincare made for everyone.

MUJI skincare is formulated with natural water, filtered through the bedrock of caves in Kamaishi, Iwate Prefecture. The resulting water, filtered over decades, easily absorbs into the skin with the same, slightly alkaline pH balance as our tears.

All of the skincare series are created without:

- Fragrances
- Artificial coloring
- Mineral oils
- Parabens
- Alcohol

MUJI Skincare Usage Guide

Toner

Add a few drops into the palm of clean hands or a cotton pad and lightly press into your skin. Alternatively, use a compressed face mask and soak in toner for added hydration.

Moisturizer

Apply by massaging from the center of the face, working outwards. Bring down to your neck and collarbone for thorough care.

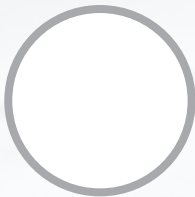

Serums & Creams

Place a small amount in your hand (refer to Usage Amount), and apply gently to your cheeks, around the mouth and eyes, and other areas that tend to be dry. Pat in until absorbed.

Approximate Usage Amount

Using more skincare doesn't necessarily equate to more hydration. Skincare sinks more effectively into skin when the appropriate amount is used – please refer to the below guide for an approximate optimal amount.
